

2025 ROLLER SHUTTER PRICE GUIDE

1 2025 STATEMENT

In 2025, Better Looking Shutters became **Shutter City**.

After **years of manufacturing** and installing for some of the **biggest roller shutter brands** in Perth, we've decided to **go direct** — offering the same premium products and expert service, but **under our own name**.

We've **cut out the middlemen** to give homeowners and businesses **better pricing, faster installs**, and a more personal experience — **without the markup**.

This price guide gives you a rough idea of costs, but **every job is custom**. When you're ready, book a free site measure and we'll give you an exact quote.

We'll measure, assess your needs, and give you a **fixed price** — no guesswork.

7 TESTIMONIALS

Absolutely recommend Better Looking Shutters to anyone thinking of getting them installed. We're **very satisfied** with our shutters, the whole process was quick, simple and professional with **no pressure**. Eric and his team were brilliant. Our shutters look great, they make our home feel safer and have **noticably reduced the noise** from outside, overall excellent. Thank you so much.

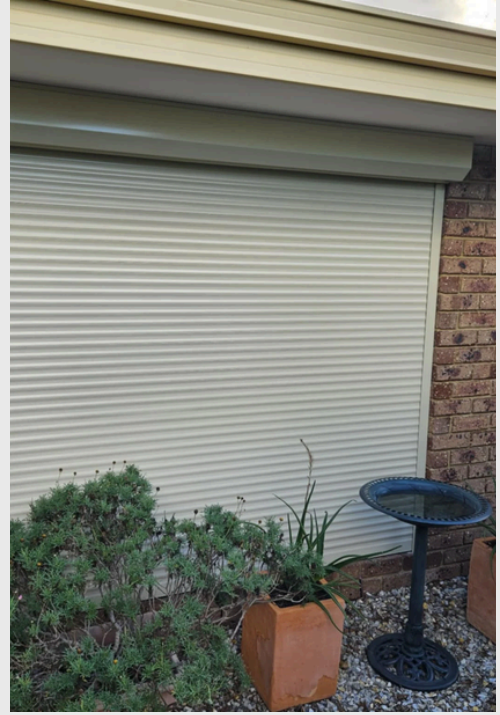

Very happy with our new roller shutters! Great price and service, good company to deal with and the installation only took them **about 2 hours**. Comes with a nice little remote with a wall mount as well. **10 year warranty too!** Thanks guys 😊

So happy with the whole process dealing with Better Looking Shutters! From the free (and **sales pressure free**) measure and quote to the installation and the look and functionality of the shutters. **Totally recommend** this company!
